ETIDHI OFFERING

Get Found. Get Leads. Close More Deals.

Agents plan, create, and run your marketing and find new prospects. EtiDhi rebuilds your website with a multilingual voice agent that answers your visitors' questions.

01

Marketing and leads

POWERED BY KOGO

Marketing plan
A strategy and weekly calendar for brand, content, and ads

Social media content
Posts and carousels written, scheduled, and published

Creative adaptation
Turns one approved design into every size and format you need

Running ads
Runs campaigns on Meta, Google, and Amazon, with spend and results in one place

Lead finding
Finds and checks prospects, whether businesses or individual buyers, that match your ideal customer

Approval first
Nothing goes live until your team approves it

02

New website with a voice agent

BUILT BY ETIDHI

A new website
Fast pages, clear offers, and an easy way to contact you

Multilingual voice agent
Visitors ask questions out loud, in their own language, and hear answers from your content

Lead dashboard
Every lead in one place, with names, contact details, and what they asked

Answers day and night
Including weekends and holidays

What you gain

One partner: EtiDhi
Marketing, leads, and your website, handled by one team

A consistent brand
Every format comes from one approved design

Faster replies
Every visitor and prospect gets an answer

BUILT FOR Founders · Marketing leads · Sales teams · Growing brands
